Reflect on Your Week Take a Moment for Yourself

This week, think about the power of ownership.

When we take responsibility, we don't just finish tasks — we build trust.

Ask yourself:

- Do I wait for things to happen, or do I make them happen?
- How do my daily choices reflect reliability and integrity?
- When something doesn't go as planned, do I focus on fixing it — or on finding who to blame?

Growth begins when we take ownership — not when we wait for direction.
